ICE CREAM.

My Ice Cream Manufactory, one of the largest
in Virginia, still continues to supply private
customers, Sunday schools, excursions, picnics,
fairs, festivals and associations, as well as the
trade, with that SUPERIOR ICE CREAM that has
made a name in this community, and is known
everywhere as BRENDEL'S ICE CREAM. I
could easily reduce its price by lowering its quality,
but good cream, of fresh, pure, wholesome
ingredients, cannot be furnished at a less price
than I serve it. Of course, I could "grade my
cream by the price," but my cream would lose
the good name that years of fair dealing have
won for it. I ask that persons abroad ordering
"Brendel's Cream" from third parties will assure
themselves that the cream sent is certainly
from my establishment. I warrant my cream,
and do not wish that inferior cream, sent out as
mine, may injure its reputation. It is my aim
to furnish the BEST ICE CREAM IN AMERICA,
and my customers are satisfied that I do so.

gallon, packed in ice, and sent to all parts of the
city. GUARANTY and ICE, of all flavors,

be secured at a low rate; 2d, I pay cash for my
goods; 3d, by the best of cream at a reduced
price; 4th, do away with hiring hands; 5th, make
the cream myself; 6th, am determined to give
full satisfaction. Picnics and Sunday schools

gallon. ICE CREAM and DINNERS ROOMS

The success which the KENMORE HIGH

VEGETINE.

FOR DROPSY.
I NEVER SHALL FORGET THE FIRST
DOSE.
Providence.

Mr. H. R. Stevens:
Dear Sir—I have been a great sufferer from
dropsy. I was confined to my house more than
a year. Six months of the time I was en-
tirely helpless. I was obliged to have two men
lift me in and out of bed. I was swollen 19
inches larger than my natural size around my
waist. I suffered all a man could and live. I
tried all remedies for dropsy. I had three dif-
ferent doctors. My friends all expected I would
die many nights I was expected to die before
morning. At last Vegetine was sent me by a
friend. I never shall forget the first dose. I
could realize its good effects from day to day; I
was getting better. After I had taken some 5
or 6 bottles I could sleep quite well nights. I
began to gain now quite fast. After taking some
10 bottles, I could walk from one part of my
room to the other. My appetite was good;
the dropsy had at this time disappeared. I
kept taking the Vegetine until I regained my
usual health. I heard of a great many cures by
using Vegetine after I got out and was able to
attend to my work. I am a carpenter and build-
er. I will also say it has cured an aunt of my
wife's of Neuralgia, who had suffered for more
than 20 years. She says she has not had any
neuralgia for eight months. I have given it to
one of my children for Canker Humor. I have
no doubt in my mind it will cure any humor;
it is a great cleanser of the blood; it is safe to
give a child. I will recommend it to the world.
My father is 80 years old, and he says there is
nothing like it to give strength and life to an
aged person. I cannot be too thankful for the
use of it. I am.
Very respectfully yours,
JOHN S. NOTTAGE.

ALL DISEASES OF THE BLOOD.—If
Vegetine will relieve pain; cleanse, purify, and
cure such diseases, restoring the patient to
good health after trying different physicians,
many remedies and suffering years, it is not
conclusive proof, if you are a sufferer you can
be cured? Why is this medicine performing such
great cures? It works in the blood, in the cir-
culating fluid. It can truly be
Great Blood Purifier. The great source of dis-
eases originates in the blood; and no medicine
that does not act directly upon it to purify and
renew, has any just claim upon public atten-
tion.
Newport, Ky., April 20, 1877.

DEAR SIR—Having suffered from a breaking
out of Cankerous Sores for more than five
years, caused by an accident to a finger, and
which fracture ran into a running sore, and
which helped me to think of nothing but
my valuable medicine, which Mr. Miller, the
apothecary, recommended very highly. I
saw his bottle cured me, and all I can say is, that
I owe my health to your valuable Vegeti-
ne.
Your most obedient servant,
ALBERT VON ROEDER.

"It is unnecessary for me to enumerate the dis-
eases for which the Vegetine should be used.
I know of no disease which will not admit of its
use, with good results. Almost innumerable
complaints are cured by its use, and it is
the blood, which can be entirely expelled from
the system by the use of the Vegetine. When
the blood is perfectly cleansed the disease rap-
idly yields; all pains cease; healthy action is
promptly restored, and the patient is cured."
